

The International Board
for
Certification in Facial Plastic and Reconstructive Surgery

sponsored by the

International Federation of Facial Plastic Surgery Societies

certifies that

HASAN M. ALSHEMARI, M.D.

has completed an approved training program, and has completed an International Federation of Facial Plastic Surgery Societies recognized examination in Plastic and Reconstructive Surgery of the face, eyelids, nose, head and neck; and has met the additional requirements for board certification in facial plastic and reconstructive surgery as prescribed under the authority of this board.
